(compliments the
KinderCam system.)

**CCTV (Closed Circuit TV)
in Lobby**

It's as easy as...

A Center Evaluation & Recommendation

B Childcare Center selects type of KinderCam system that fits their needs

C Installation:
KinderCam will begin the installation process of KinderCam system (typically 2 days)

KinderCam[®]
See the Future

Customer Praises

"We have used KinderCam systems for over 10 years and the investment has proven great value in increased enrollment, parent satisfaction, safety and liability benefits. I would never open another center without partnering with KinderCam."
